

Task Light

Gleamer[®]

Burton's all-purpose halogen light.

If your facility is searching for an all-purpose, rugged, compact halogen light, Burton's Gleamer is your solution. The Gleamer[®] was designed to meet healthcare facilities' most demanding specifications for high-intensity, cool operation, compact design and value. Offering 45,000 lux, a sturdy gooseneck, plus optional 16" (41 cm) extension arm, and superior quality components, the Gleamer provides high-intensity, maximum flexibility and extraordinary reliability. The Gleamer also features a unique venting system, energy-absorbing infrared exchanger and reflector coatings, which filter out infrared for a nearly heat-free beam in a cool, yet compact housing.

burton[®]
